

# TUTORIAL-3

Name: Badisa Naveen

Reg.no: 2000031509

**Aim:** To draw Use case, Class, Sequence, Activity and State chart diagrams for University Admission Process and Railway Reservation System

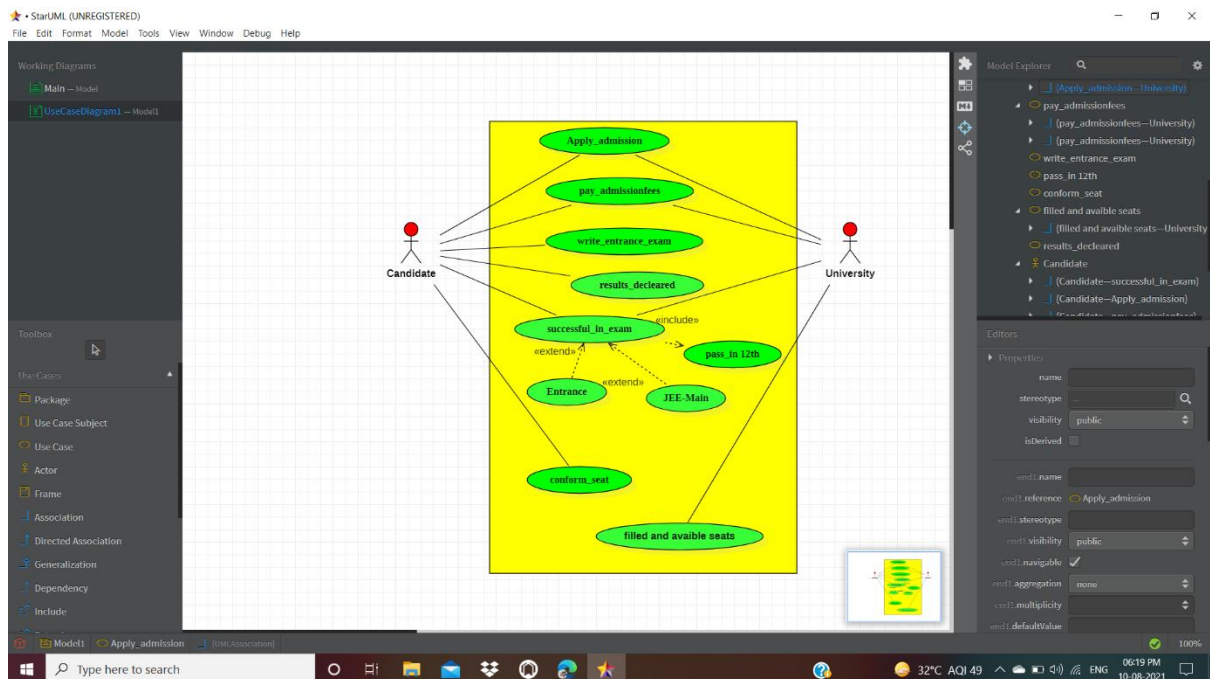

## **Apparatus:**

1. Star UML (Unified Modeling Language)

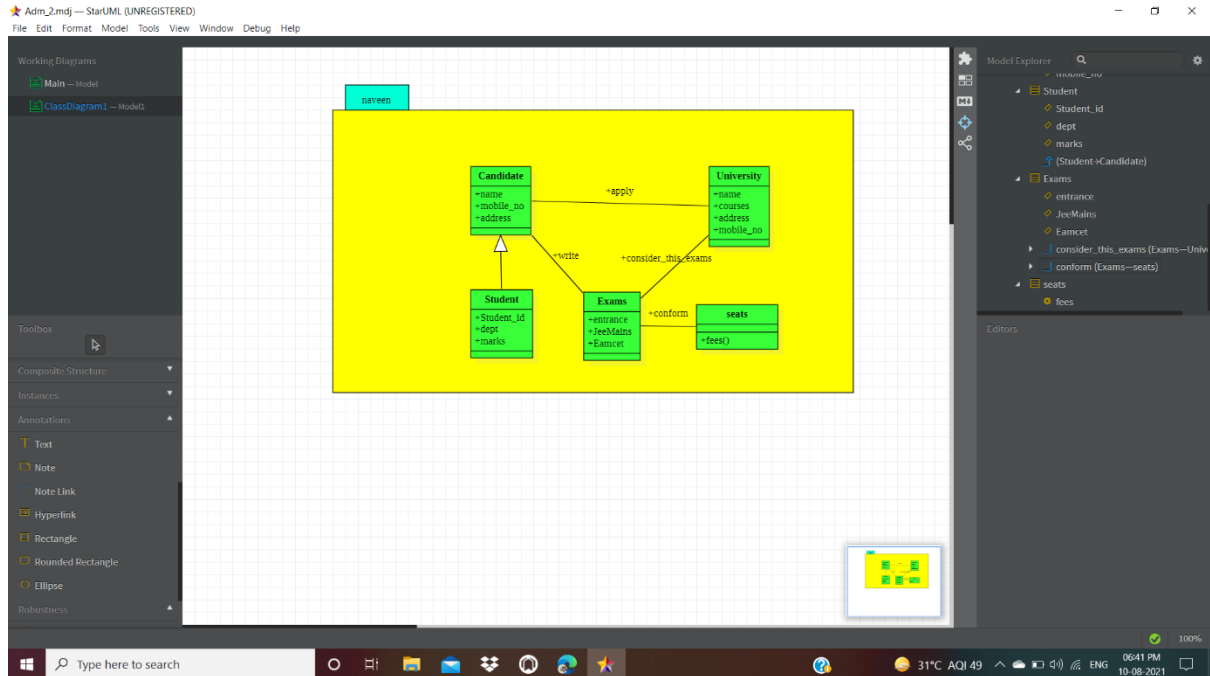

## **Process:**

1. Download the star UML app from the Google and open it.
2. After opening the app, we can see the five windows.
3. Then click on the model and add diagrams.
4. Then select which diagram you want to draw.
5. After selecting the diagram, in tool box we will get some options.
6. With the help of that options, we can draw the diagram.

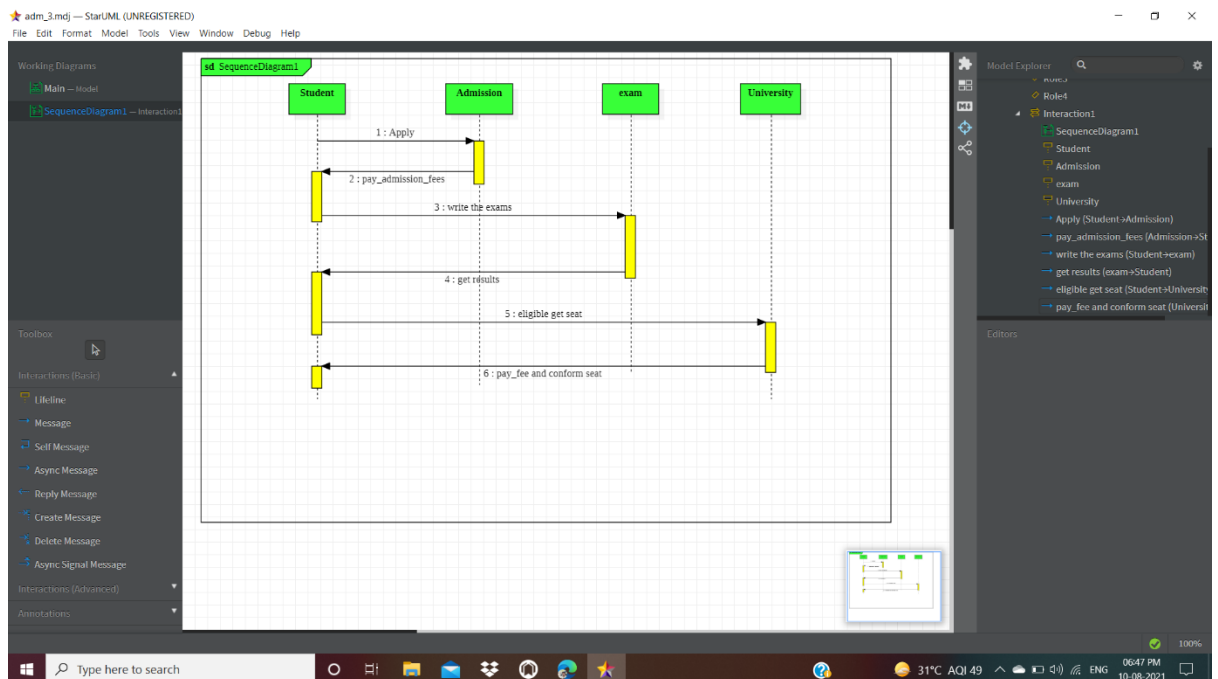

## **Use case diagram:**

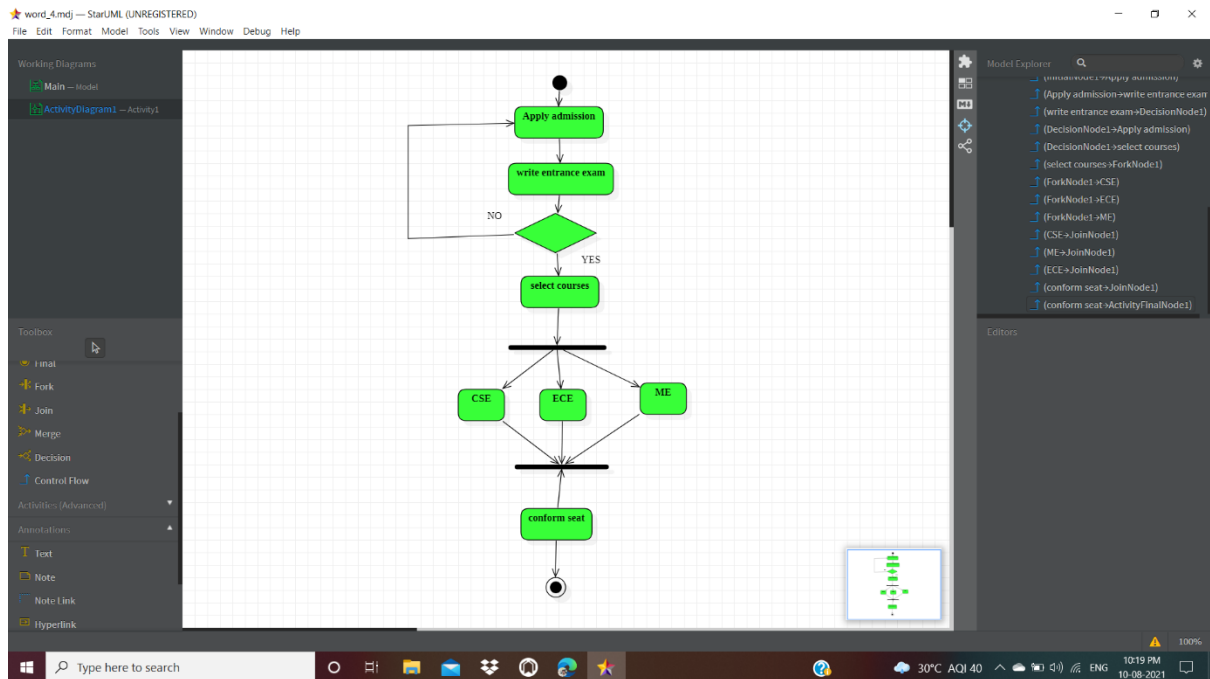

## Class diagram:

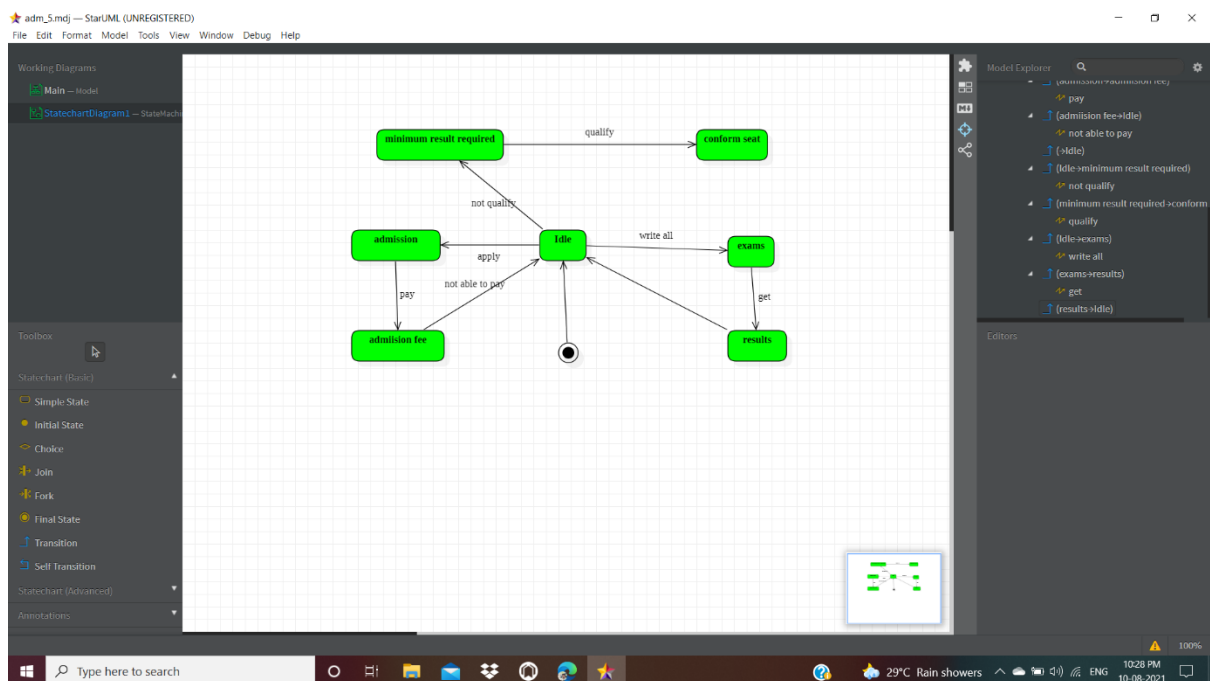

## Sequence Diagram:

## Activity diagram:

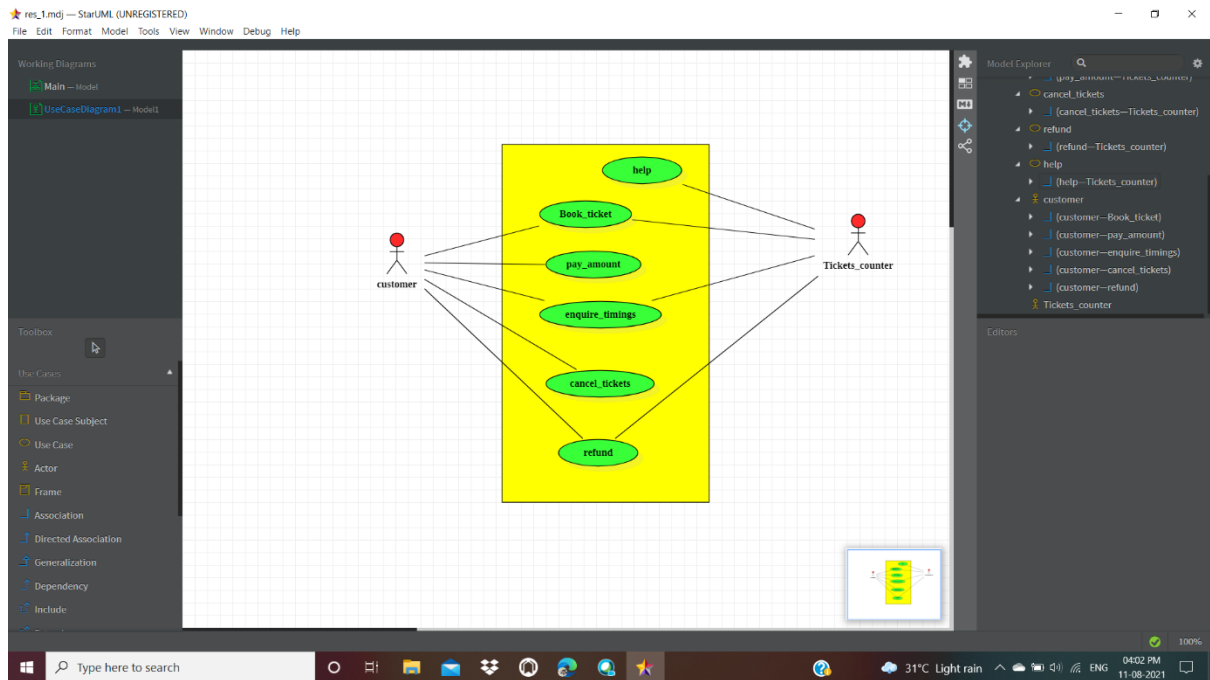

## State char diagram:

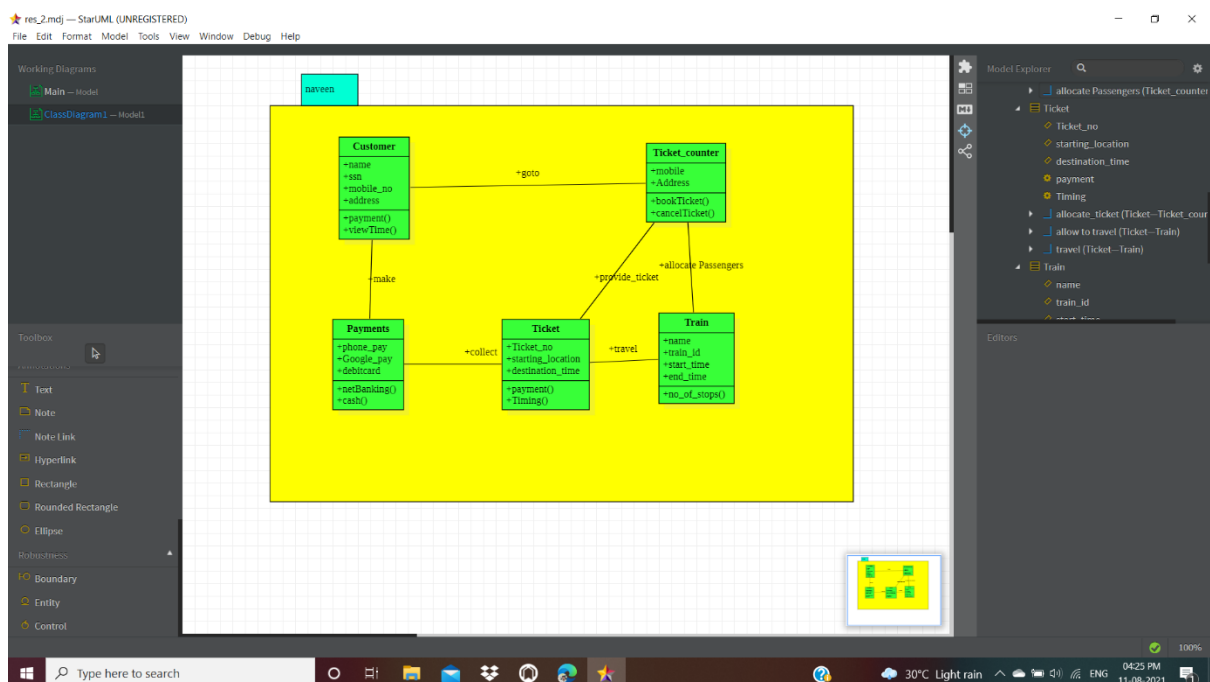

# Post Lab

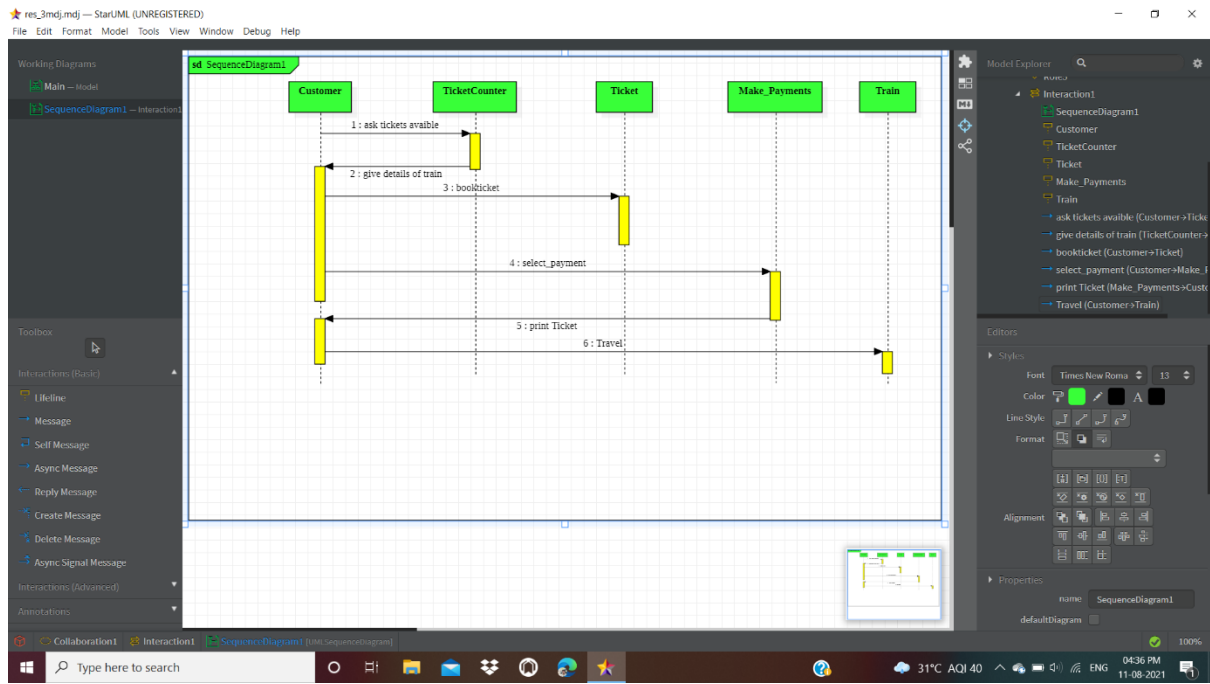

## Use case diagram:

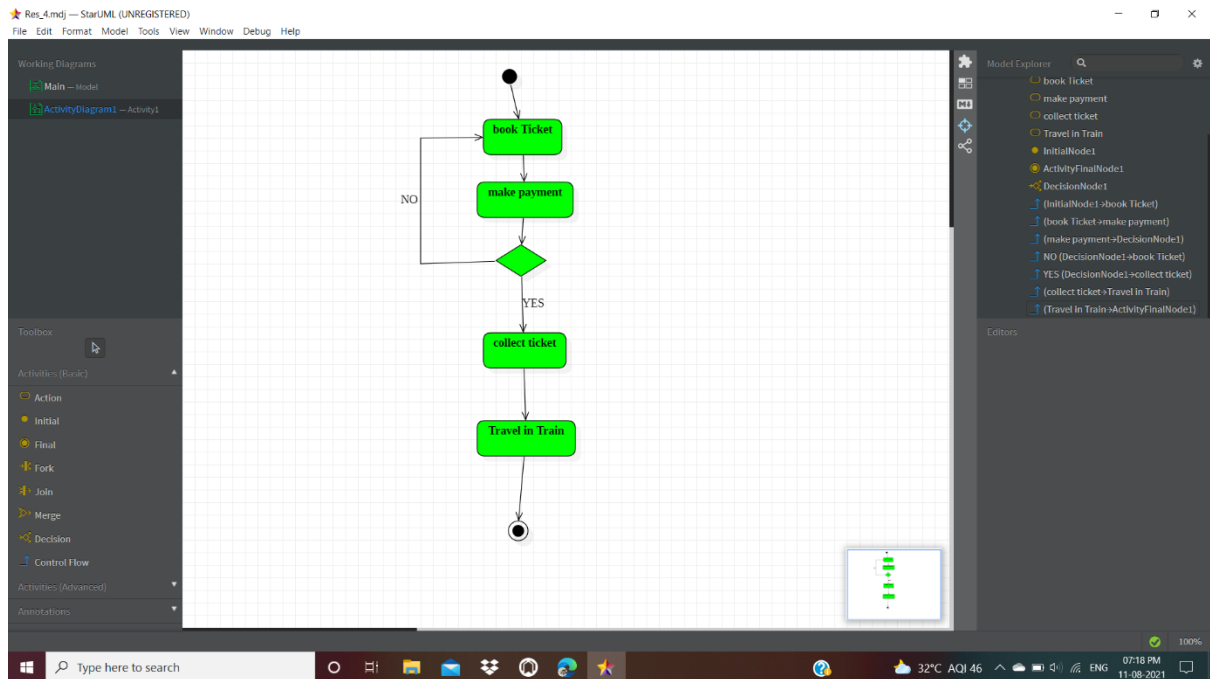

## Class diagram:

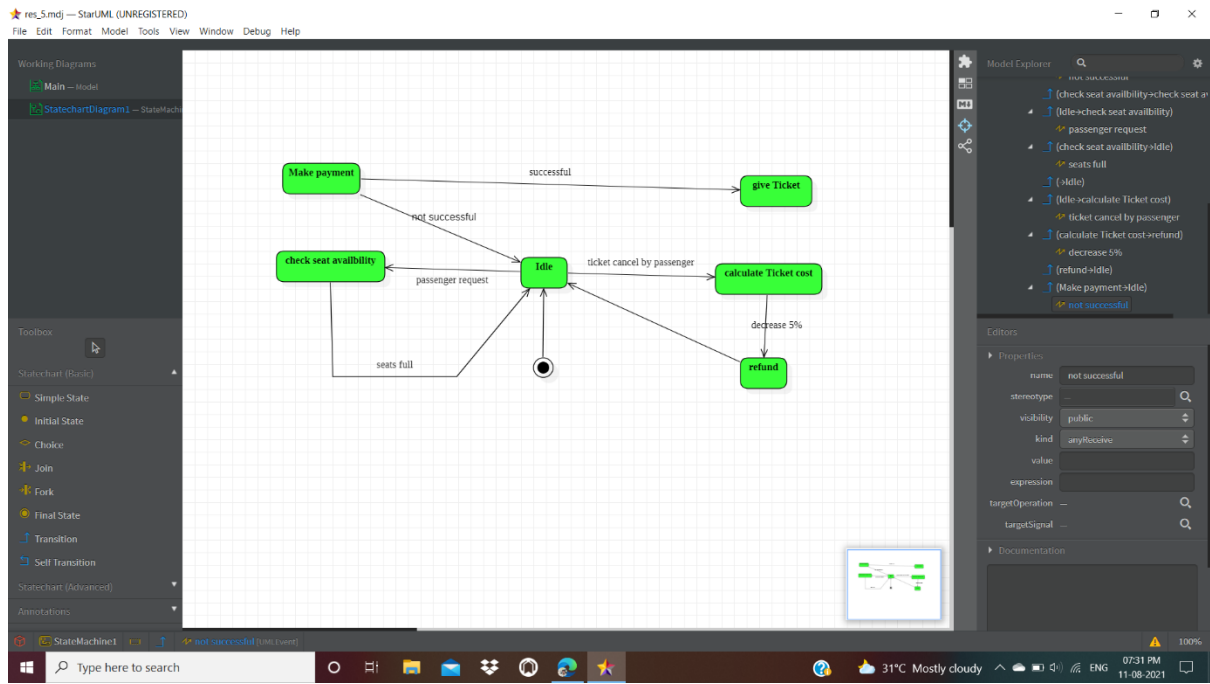

## Sequence Diagram:

## Activity diagram:

## State char diagram:

## Conclusion:

1. By using star UML, it is very easy for me to draw Use case, Class, Sequence, Activity and State chart diagrams for University Admission Process and Railway Reservation System
